Description :

PDF-02993 | Bone broth can be described as a ‘prehistoric’ food, with archeologists discovering proof that people long ago used to prepared bone broth. It is not a new trend. Making bone broth is actually an ancient tradition that goes as far back as the early Stone Age period. When our human ancestors were discovering fire and how to make simple tools, their main source of nutrition was animals. They ma... *Bone Broth: The Ultimate Bone Broth Recipes For Wellness And Optimal Health*
