Description :

PDF-8fa3f | Which came first, the chicken or the egg? In Hindu scripture, the world began as an egg. Laid by a swan floating on the waters of chaos, after a year the egg split into silver and gold halves, with the silver becoming the earth and the gold transforming into the sky. Throughout history, the egg has taken on numerous meanings outside of the famous philosophical dilemma: it was used for curing the e... *Eggs: A Global History (Edible)*
