Description :

PDF-850fb | Richly illustrated and filled with goodies for anyone who is a lover of plant and fae. Green magick, or stewardship of the earth, begins right in our own backyards. When we cultivate an herb garden--even if it's just a few potted plants on a sunny windowsill--we are tending living, sentient beings who respond to our intention, our energy, and our tender loving care. The "fae" (faerie) essence resid... *The Faerie's Guide to Green Magick from the Garden*
