Description :

PDF-b18df | Though tiny, the herring has played an enormous role in history. Battles have been waged over it. International economic alliances have formed over it. Major cities owe their prosperity to it. Political powers have risen and fallen with herring's own rise and fall in population. How can this all be attributed to this unassuming little animal? In *Herring: A Global History*, Kathy Hunt looks at the... *Herring: A Global History (Edible)*
