Description :

PDF-99f14 | Local Food is an inspirational and practical guide for creating local food initiatives - showing how we can restore and establish community networks to generate healthy, locally produced food. Many people already buy their vegetables as locally as possible, eat organic and seasonal food when they can, and may even be getting to grips with managing an allotment. But Local Food shows you how to get ... *Local Food: How to make it happen in your community (The Local Series)*
