Description :

PDF-9129e | Why should you prepare food for your pets? It's simple. The pet food industry has let you down. You have depended on them to provide wholesome nutrition to keep your pets healthy. They advertise ingredients as holistic, natural, and human grade; in reality, ingredients are often waste products from the human food industry or rendered meals from diseased animal carcasses. The pet food industry h... *Yin & Yang Nutrition for Dogs: Maximizing Health with Whole Foods, Not Drugs*
